EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims of group I, claims 1-24, and 26-29 with an elected species in claim 12, are allowed.

The search has been expanded to three non-elected species but no prior art has been found.

Claim 25 is rejoined into the composition of group I since this is the claimed method using the claimed composition which has been allowed.

Therefore, claims 1-29 are allowed.
